

TO THE COMMITTEE OF ACTION

TO ALL NATIONAL COMMITTEES

Dear Sir/Madam,

**Technical committee No. 80: Maritime navigation and radiocommunication equipment and systems**

**Extension of the term of office of the chairman**

In accordance with 1.8.1 of the Procedures for the technical work, Part 1 of the ISO/IEC Directives (Third edition, 1995) and document 02/614/AC, we wish to inform you that the British National Committee, in its capacity as secretariat of TC 80, has proposed the extension of the term of office of

**Dr. A.P. NORRIS  
(United Kingdom)**

as chairman of this technical committee until August 2003.

Mr. Norris was originally elected to the office of chairman of TC 80 in August 1991, and extended for three years in 1997, so that his term of office will come to an end in August 2000.

The secretariat of TC 80 is recommending this extension in order to provide continuity of tasks that are now in progress within the committee.

If no objection has been raised **by 12<sup>th</sup> November 1999**, we shall consider that the Committee of Action approves the extension of the term of office and **ask you to regard this document as definitive**.

In case of objection (i.e. a simple majority does not support the extension), **the Secretariat shall nominate a new candidate and the process shall be repeated**.

Yours faithfully,

**A. AMIT  
General Secretary**

cc: Mr. M.R. Fünfschilling  
Dr. A.P. Norris, chairman of TC 80  
Mr. Peter F.C. Griffiths, secretary of TC 80  
Mr. G.F. Thompson, assistant secretary of TC 80  
Mr. Michael Rambaut, assistant secretary of TC 80

MAC/TO
